

Age-old experience...rock-solid reputation.

Chelsea Building Products' spirit of innovation continues to shape the future of the vinyl window industry.

Thousands of dealers and contractors are searching for a better way to offer their customers a **premium-quality** window at an **affordable price**...and once again Chelsea leads the way.

Introducing **RESTORATION PRO**, a multi-chambered, heavy wall vinyl extrusion developed with three-dimensional prototyping and Computer Aided Design (CAD) technology to create a premium-quality vinyl window which consistently delivers good looks, outstanding performance and trouble free operation.

RESTORATION PRO is a high-end vinyl window system that offers uncommon versatility and outstanding value.

RESTORATION PRO delivers features that are hard to find in most window lines:

- **UNIQUE DESIGN FEATURES FOR OUTSTANDING STRUCTURAL STRENGTH**
- **HEAVY WALL MULTI-CHAMBERED STRUCTURE FOR SOLID LONG-LASTING CONSTRUCTION**
- **1" INSULATED GLASS PACKAGE**
- **A WORLD-CLASS SELECTION OF INTERNAL (BETWEEN THE GLASS) BLINDS AND GRILLS**
- **ACCOMMODATES SIMULATED DIVIDED LITES (SDL)**
- **STANDARD HR-50 PERFORMANCE RATING**
- **MEETS EXISTING CODE AND ENERGY REQUIREMENTS**

RESTORATION PRO is made to order. Made to fit. And made to last.
