Chelsea Serves Up Maximum ROI and Minimum IOU

Introducing... **TrustGard™** and **DuraTrust™** complete vinyl window lines designed and engineered with a primary focus on operational and financial efficiencies. Chelsea Building Products has expanded its range of products and services with a renewed commitment to increasing quality and driving down cost.

Always Good

All **TrustSeries** extruded vinyl components are factory-backed with a limited lifetime warranty.

"Chelsea Is Ready-To-Serve"

Chelsea Building Products is now selecting fabricators throughout the United States to exclusively distribute its **TrustSeries** line of vinyl windows.

You will quickly gain the competitive edge in your area and enjoy the benefits of:

- **Increased margins**
- **Reduced inventories**
- **Simplified fabrication**
- **Protected territories**
- **Attractive, unified appearance**
- **Product differentiation**

Fresh Daily

Designed around a platform program, **TrustSeries** window systems are easy to fabricate. The result is a highly reliable, consistent product that reduces callbacks after installation, and lowers the cost to you and your customers.

With nearly three decades of global experience, lineals certified by the American Architectural Manufacturers Association, and backed by the European Tessenderlo Group, Chelsea's **TrustSeries** has raised the bar for vinyl window systems.

Trust Us – this is an opportunity that you will not want to miss!
